You are talking to a friend that you haven't really spoken to in a while. Create a dialog between the two friends. During the conversation, the friends should:

Ask / Tell about a few of their classes

Ask / Tell about a few of their teachers

Ask / Tell about the things they have to do, either in school or after school.

Ask / Tell about the things they like to do after school or in certain classes.

In total, the friends should speak to one another for at least 90 seconds, having good, quality conversation. Each friend should both ask and answer questions. (It's not an interview. One person should not do all the asking!)
