

How long have you been a member? How long have you done track? How long have you played soccer?	
When are the practices? When are the rehearsals?	
Do you know how to play lacrosse?	
Do you know Mr. Riggins?	
Do you like to play board games?	
In what extra-curricular activities do you participate?	

\*Remember, in questions, there is no “do you”....just ignore it!

### **Skit – My activities**

You are working a booth for HawkFest. Man, these current 8<sup>th</sup> graders have a lot of questions about your club/organization/sport. Your job is to answer their questions!

With a partner, one of you is the 8<sup>th</sup> grader and the other is the club member.

1. The 8<sup>th</sup> grader should ask a lot of questions about the club.
2. The club member should answer.
3. The 8<sup>th</sup> grader should decide if they want to join or not!

You should be sure to include the following:

- Day of the week/time
- What you do in the club
- The positives/negatives of the club
- Use saber/conocer
- Use tons of vocabulary

You should have at least 7 exchanges (each person speaks 7 times. Not 7 sentences, 7 sets of dialog)

We will present these in class tomorrow.
